

Jett8 chooses CHAMP

JETT8 Cargo has chosen CHAMP Cargosystems to support its projected fleet comprising of Boeing 747-200s and 747-400s, which will operate in a new strategic alliance with Nippon Cargo Airlines.

Capt Louis Tan, Jett8's chairman and chief executive officer, said: "Jett8 is pleased to partner with CHAMP Cargosystems over the next three years as we automate all aspects of our operations to the highest standards - from initial booking through to final delivery. We were convinced by the worldwide use of CHAMP's portfolio by some of the biggest names in cargo."
